## Employment:

2019 / 2023

### Senior UX/UI Designer - Caddiesoft

The company has been working for more than 15 years, and all of the software engineers are senior software developers - [link](#).

I worked on projects for customers, such as SaaS, B2C, landings, and mobile applications.

2017 / 2019

### Senior UX/UI Designer - SprinkleGroup

The project has been going on for 9 years.

There were 4 designers in the team.

I was working on UX/UI, web and mobile designs, and prototypes in Sketch and InVision.

Also for reviewing we have meetings with Project Managers, Product Owners, and SEO.

The other team I was working with - 3 people in the frontend team, 4 people in the iOS team, 4 people in the Android team, 4 people in QA, 3 people in Project Management, 2 e-commerce, 2 Marketing.

We won a Samsung design competition with the design of a mobile app for Bixby.
